Bringing Sustainability and  
Luxury Together.

## The Resort

Nomi Resort & Wellness is committed to developing and promoting the best all season resort experience in one of the most picturesque regions of Canada close to Algonquin Provincial Park and amidst the Great Canadian Shield.

Nomi Resort & Wellness is a unique and well positioned property comprised of approximately 800 acres and is located in Harcourt, Ontario near the south entrance to Algonquin Park on Elephant Lake Road.

It's a place to get away from it all, a place to kick back and unwind. Nomi Resort is the embodiment of this mantra – a tranquil, remote and natural setting with just the right amount of luxury - a four season relaxing getaway. Our property is carved out of the rugged forests of the Canadian Shield with majestic pines towering overhead. Set on the pristine shores of Benoir Lake, South Algonquin aims to provide the best of both worlds. This majestic property represents the perfect mix of ruggedly natural and designed comfort. Outside, each season at Nomi is a new world to behold.

### “THE WATERMARK ADVANTAGE”

Watermark brings sustainability and luxury together, offering affordable turn-key cottage properties, fully furnished, close to waterfront. Each cottage offers unique attributes and design, providing a “smart cottage” that gives comfort, great design, excellent finishings and detail along with sustainability and overall appeal.

## WATERMARK PROJECTS, 2015. CUSTOM COTTAGES.

### Our Design Approach.

Watermark’s product is centered on the use of premium grade lumber and materials, using laser technology for precision building, providing a green way to build. Our precision designed lumber panels are engineered and manufactured in a climate controlled 100 thousand sq ft. Facility. Our goal is to reduce waste, provide excellent quality, and improve overall energy efficiency of our end product.

Cottage designs come with a beautiful durable board batten material with a touch of stone accents, pressure treated decking & an exterior covered porch.

### Quality of Service.

Watermark provides undeniable quality and customer service. Service levels are very important to our business in what we do. We manage to accuracy and timelines to ensure customers satisfaction and overall performance is met. Our management monitors and ensures quality is met throughout the process from beginning to end.

## Bringing Sustainability and Luxury Together

We have all, at some point, stepped into a home that communicates a feeling of ease and well-being. Watermark offers cottages with character and flair, providing beautiful finishings, where we instill tranquility and calmness that is felt in the heart of each owner.

## Energy Savings & Power Back-up

Watermark provides sustainable and comfortable dwellings where there is not only harmony and integrity in its design, but with a consciousness to sustainability and the environment.

Our cottages are equipped with a **smart energy saving high velocity heating system** with zone control, that determines the percentage of heat required and heating capacity, unlike the conventional heating systems.
